Briogeo Don't Despair, Repair!™ Deep Conditioning Mask

See all:

EWG scientists reviewed Briogeo Don't Despair, Repair!™ Deep Conditioning Mask for safety according to the methodology outlined in our Skin Deep Cosmetics Database. We assess the ingredients listed on the labels of personal care products based on data in toxicity and regulatory databases, government and health agency assessments and the open scientific literature. EWG's rating for Briogeo Don't Despair, Repair!™ Deep Conditioning Mask is 4.

| Ingredient Concerns: | low | moderate | high |
|---------------------------------------|----------------------|----------|------|
| Overall Hazard | <input type="text"/> | | |
| Cancer | <input type="text"/> | | |
| Developmental & reproductive toxicity | <input type="text"/> | | |
| Allergies & immunotoxicity | <input type="text"/> | | |
| Use restrictions | <input type="text"/> | | |

Other HIGH concerns: Biochemical or cellular level changes, Multiple, additive exposure sources, Irritation (skin, eyes, or lungs), Occupational hazards; **Other MODERATE concerns:** Cancer, Contamination concerns, Organ system toxicity (non-reproductive); **Other LOW concerns:** Data gaps, Ecotoxicology, Endocrine disruption

Ingredient Concerns

| Ingredient | Concerns | Score |
|---|--|--|
| RETINYL PALMITATE (VITAMIN A PALMITATE) | Biochemical or cellular level changes, Cancer, Developmental/reproductive toxicity, Organ system toxicity (non-reproductive), Use restrictions |  8 Data: Fair |
| CHOLECALCIFEROL | Organ system toxicity (non-reproductive), Occupational hazards, Use restrictions |  5 Data: Fair |

Data: **Robust****About the ratings**

EWG provides information on personal care product ingredients from the published scientific literature, to supplement incomplete data available from companies and the government. The ratings below indicate the relative level of concern posed by exposure to the ingredients in this product - not the product itself - compared to other product formulations. The ratings reflect potential health hazards but do not account for the level of exposure or individual susceptibility, factors which determine actual health risks, if any.
