EWG scientists reviewed Pacifica Natural Water-Proof Eye Pencil Fringe for safety according to the methodology outlined in our Skin Deep Cosmetics Database. We assess the ingredients listed on the labels of personal care products based on data in toxicity and regulatory databases, government and health agency assessments and the open scientific literature. EWG's rating for Pacifica Natural Water-Proof Eye Pencil Fringe is 1.

Ingredient Concerns:	low	moderate	high
Overall Hazard	<input type="text"/>		
Cancer	<input type="text"/>		
Developmental & reproductive toxicity	<input type="text"/>		
Allergies & immunotoxicity	<input type="text"/>		
Use restrictions	<input type="text"/>		

Other HIGH concerns: Multiple, additive exposure sources, Persistence and bioaccumulation; **Other MODERATE concerns:** Contamination concerns; **Other LOW concerns:** Enhanced skin absorption, Cancer, Data gaps, Ecotoxicology, Organ system toxicity (non-reproductive)

Enhanced skin absorption

Data: **Limited****About the ratings**

EWG provides information on personal care product ingredients from the published scientific literature, to supplement incomplete data available from companies and the government. The ratings below indicate the relative level of concern posed by exposure to the ingredients in this product - not the product itself - compared to other product formulations. The ratings reflect potential health hazards but do not account for the level of exposure or individual susceptibility, factors which determine actual health risks, if any.
